Rules of Engagement:

Before we begin, I want to go over a few ground rules:

1. **Follow traffic laws**
 - a. Respect traffic lights and signage
 - b. Stay on the sidewalk. Don't walk on the road.
 - c. Cross at designated crossings
2. **Don't block doorways to shops and residences**
3. **Keep to one side of the sidewalk** when we're at a stop so there is still a walkway for other pedestrians.
4. **No shopping.** At the end of the tour we will give you the names and addresses of each stop so you can go back and revisit the stops.
5. **No bathroom breaks.** Please use the bathroom before we leave.
6. **Inclusive and respectful space.** Throughout the tour there will be opportunities for questions, exchange and sharing. Please know this is an open and safe space, where we ask everyone to listen and to contribute to conversations respectfully so we can engage in rich discussions.
